

FOR IMMEDIATE RELEASE

VALLEY SLEEP CENTER EXPANDING

OPENING FOURTH LOCATION IN SCOTTSDALE

PHOENIX, Ariz.- August 11, 2010 – Valley Oximetry Sleep Disorders Center (Valley Sleep Center) announces the opening of their fourth sleep clinic in Scottsdale, Arizona.

The new clinic is located at 9767 N 91st Street Suite B104, Scottsdale, AZ 85258, and will be accepting new patients on September 1st, 2010. Valley Sleep Center recently opened their third location in Glendale this past April. They also have facilities located in Mesa and Phoenix.

Valley Sleep Center is one of the largest independent sleep diagnostics centers in the valley with the facilities to diagnose and treat a variety of sleep-related issues such as insomnia, sleep walking, snoring, and more.

Sleep studies are performed in a private home-like setting with each room containing a bathroom and shower complete with luxurious bedding.

“A sleep study is somewhat like spending a night in a hotel. Patients can watch television, bring a good book or access our wireless internet to help them settle in for the night,” says Lauri. If you’re out of your own environment it can be even more difficult to sleep,” That’s why we make our sleep centers as comfortable and as much like home as possible.”

About Valley Sleep Center:

Since 2002, Valley Sleep Center, accredited by the American Academy of Sleep Medicine, has provided Arizona with diagnostic sleep disorder testing in a home-like atmosphere, ensuring a comfortable, relaxing experience for patients. Their Board Certified Sleep Medicine Specialists consist of experienced and knowledgeable physicians who provide expert advice across a multitude of sleep related disorders including insomnia, sleep apnea, snoring, excessive daytime sleepiness, hypertension, sleepwalking, and pediatric sleep problems. They accept most insurance plans as well as Medicare. For more information contact Lauri Leadley at 480-830-3900; <http://www.valleysleepcenter.com>.
